Ordinary Resolutions

Resolution 1 – Report and accounts

Resolution 1 is an ordinary resolution under which the Company’s annual accounts for the year ended 31st March 2014, together with the strategic report, the directors’ report and the auditor’s report, are received. Shareholders will have received a copy of the 2014 Annual Report and Accounts with this circular or may obtain an electronic copy from the Company’s website at www.matthey.com. Further copies will be available at the Annual General Meeting.

Resolutions 2 and 3 – Directors’ remuneration report

Following changes made to the Companies Act 2006, there are new requirements this year in relation to the content of the directors’ remuneration report and the approval of the report. In accordance with the new requirements, the directors’ remuneration report contains:

- a statement by the Chairman of the Management Development and Remuneration Committee;
- the annual report on remuneration which sets out payments made to directors and former directors during the year ended 31st March 2014; and
- the directors’ remuneration policy in relation to future payments to directors and former directors.

The directors’ remuneration report is set out in the 2014 Annual Report and Accounts on pages 103 to 122.
The Company is required to propose two remuneration resolutions at the Annual General Meeting. Resolution 2 is an ordinary resolution to approve the directors’ remuneration report for the year ended 31st March 2014, excluding the part of the report which sets out the remuneration policy. As in previous years, this resolution is advisory in nature and, as such, it does not affect the actual remuneration paid to any individual director.

Resolution 3 is an ordinary resolution to approve the directors’ remuneration policy. This policy, which can be found on pages 105 to 113 of the 2014 Annual Report and Accounts, sets out the Company’s forward looking policy on directors’ remuneration. If approved, this policy will take effect immediately following the Annual General Meeting following which time all payments made by the Company to current, prospective and former directors must be made in accordance with the policy (unless a payment has been separately approved by a shareholder resolution). The policy will apply to all remuneration for the year commenced 1st April 2014.

If the remuneration policy is approved, it will be valid for up to three financial years. If the Company wishes to change the policy within the three financial year period, it will need to put the revised policy to a shareholder vote.

Resolution 4 – Final dividend declaration
Resolution 4 is an ordinary resolution by which shareholders are asked to declare a final dividend. The directors recommend a final dividend of 45.5 pence per ordinary share in respect of the year ended 31st March 2014. If approved, the final dividend will be paid on 5th August 2014 to shareholders on the register at the close of business on 13th June 2014.

Resolutions 5 to 14 – Election and re-election of directors
Resolutions 5 to 14 are ordinary resolutions which deal with the election and re-election of the directors in accordance with the Company’s Articles of Association and the UK Corporate Governance Code.

The Company’s Articles of Association require any director appointed to the board during the year by the directors to retire at the next annual general meeting after appointment. Mr Walker was appointed to the board as Executive Director, Emission Control Technologies, on 9th October 2013 and Mr Jones was appointed to the board as Group Finance Director on 5th June 2014. Resolutions 5 and 6 are ordinary resolutions which deal with the elections of Mr Walker and Mr Jones respectively who, in accordance with the Company’s Articles of Association, are retiring and offering themselves for election.

The Company’s Articles of Association further require a regular number of directors to retire by rotation each year, with the number to retire being the number nearest to one-third of the board excluding those directors who are retiring and seeking re-election for reasons other than rotation. However, the Company is continuing its practice of requiring all directors to retire at each annual general meeting and to offer themselves for re-election (or, in the case of Messrs Walker and Jones, election) in accordance with the UK Corporate Governance Code. As announced on 28th April 2014, Mr Roney will be retiring from the board with effect from the close of the Annual General Meeting and therefore will not be offering himself for re-election.

The board considers the non-executive directors – Ms Desforges, Mr Ferguson, Mr Matthews and Mrs Thompson – to be independent directors under the UK Corporate Governance Code and that their skills, experience, independence and knowledge of the Company enable them to discharge their respective duties and responsibilities effectively. The board confirms, following formal evaluation (as referred to on pages 91 and 92 of the 2014 Annual Report and Accounts), that their performance continues to be effective and that they continue to demonstrate commitment to their roles.

During the year, after careful review by the board, the terms of appointment of Mr Ferguson and Mr Stevenson were extended beyond their initial three-year period to January 2017 and July 2017 respectively.

Resolutions 15 and 16 – Auditor and auditor’s remuneration
The Company is required to appoint auditors at each general meeting at which annual accounts are laid before the Company, to hold office until the next such meeting. Having undertaken a review of KPMG LLP’s independence and objectivity and of the effectiveness of the audit process, the Audit Committee has recommended to the board, for it to put to shareholders for approval, the re-appointment of KPMG LLP as the Company’s auditor.

Resolution 15 is an ordinary resolution to re-appoint KPMG LLP as the Company’s auditor until the conclusion of the next general meeting at which accounts are laid before the Company. Resolution 16 is an ordinary resolution to provide that the auditor’s remuneration be determined by the directors.

Resolution 17 – Political donations
Resolution 17 is an ordinary resolution relating to the rules on political donations contained in the Companies Act 2006 (the “2006 Act”). Political donations by the Company and its subsidiaries to any political parties, other political organisations or independent election candidates or the incurring by the Company of political expenditure are prohibited unless authorised by shareholders in advance. Although during the year the Company did not make any political donations or incur any political expenditure and has no intention either now or in the future of doing so, the legislation is very broadly drafted and may catch such activities as sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties and support for bodies representing the business community in policy review.

To avoid inadvertently contravening the 2006 Act, the board is proposing Resolution 17 to renew the authority granted by shareholders at the last annual general meeting of the Company. The proposed authority is subject to an overall aggregate limit on donations and expenditure of £50,000. As permitted under the 2006 Act, Resolution 17 extends to political donations made, or political expenditure incurred, by any subsidiary of the Company.

Resolution 18 – Authority to allot relevant securities
Resolution 18 is an ordinary resolution to renew the authority of the directors to allot securities.

The Association of British Insurers’ (“ABI”) guidelines on directors’ authority to allot shares state that ABI members will permit, and treat as routine, resolutions seeking authority to allot new shares representing up to one-third of a company’s issued share capital. In addition, they will treat as routine a request for authority to allot shares representing an additional one-third of a company’s issued share capital provided that it is only used to allot shares pursuant to a fully pre-emptive rights issue.

At the 2013 annual general meeting of the Company, the directors were given authority to allot up to two-thirds of the Company’s then issued ordinary share capital (excluding treasury shares). This authority expires at the end of the Annual General Meeting.

The board considers it appropriate that the directors be granted similar authority to allot shares in the capital of the Company up to a maximum nominal amount of £143,117,158, being 136,611,832 ordinary shares of 104 16/21 pence each (“ordinary shares”), representing two-thirds of the Company’s issued ordinary share capital (excluding treasury shares) as at 16th June 2014 (the latest practicable date prior to publication of this circular). Of this amount, a maximum nominal amount of £71,558,579 being 68,305,916 ordinary shares, representing one-third of the Company’s issued ordinary share capital (excluding treasury shares) as at 16th June 2014, can only be allotted pursuant to a fully pre-emptive rights issue. This authority will expire at the conclusion of the annual general meeting of the Company in 2015 or, if earlier, on 23rd October 2015.

The directors have no present intention of exercising this authority but consider it prudent to obtain the flexibility that this authority provides.

As at 16th June 2014, the Company held 5,725,246 treasury shares, which represented 2.79% of the Company’s issued ordinary share capital (excluding treasury shares) as at that date.
Special Resolutions

Resolution 19 – Disapplication of pre-emption rights
Resolution 19 is a special resolution to authorise the directors under sections 570 and 573 of the 2006 Act to allot equity securities for cash (either pursuant to the authority granted under Resolution 18 or by way of a sale of treasury shares) without first offering them pro-rata to existing shareholders as otherwise required by section 561 of the 2006 Act. In light of the ABI guidance described in the explanation of Resolution 18 above, the authority sought is limited:

(a) in connection with an open offer or other offer to existing shareholders in proportion to their existing holdings, to up to a maximum nominal amount of £71,558,579, being 68,305,916 ordinary shares, representing one-third of the Company's issued ordinary share capital (excluding treasury shares) as at 16th June 2014 or, in the case of a fully pre-emptive rights issue only, to up to a maximum nominal amount of £143,117,158, being 136,611,832 ordinary shares representing two-thirds of the Company's issued ordinary share capital (excluding treasury shares) as at 16th June 2014; and

(b) otherwise than in connection with an offer to existing shareholders, to up to a maximum nominal amount of £11,033,680 (being 10,532,149 ordinary shares, representing approximately 5% of the Company’s issued ordinary share capital including treasury shares as at 16th June 2014).

The renewed authority will expire at the conclusion of the annual general meeting of the Company in 2015 or, if earlier, on 23rd October 2015.

The directors have no present intention of exercising this authority but consider it prudent to obtain the flexibility that this authority provides.

In accordance with the Pre-Empction Group’s Statement of Principles dated July 2008, the directors confirm their intention not to issue more than 7.5% of the Company’s issued ordinary share capital for cash other than to existing shareholders in any rolling three-year period without prior consultation with shareholders.

Resolution 20 – Purchase of own shares
Resolution 20 is a special resolution to renew the authority granted to the directors at the annual general meeting of the Company in 2013 to make purchases of its own ordinary shares through the market as permitted by the 2006 Act. The renewed authority will expire at the conclusion of the annual general meeting of the Company in 2015 or, if earlier, on 23rd October 2015. The maximum aggregate number of ordinary shares which may be purchased would be 20,491,774 which represents approximately 10% of the ordinary shares of the Company in issue (excluding treasury shares) as at 16th June 2014. The authority also sets out minimum and maximum prices that may be paid for an ordinary share.

The total number of options held over ordinary shares under the Company's executive share option schemes was 28,546 as at 16th June 2014, representing 0.01% of the Company's issued ordinary share capital (excluding treasury shares) as at that date. This would increase to 0.02% if the authority to buy back shares under this resolution were to be used in full.

It is the Company's present intention that any shares purchased under the authority sought by Resolution 20 would be held by the Company as treasury shares. Any such shares held in treasury for the purpose of the Company's employee share schemes would count towards the limits in such schemes. However, in order to respond properly to the Company’s capital requirements and prevailing market conditions, the directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares.

The directors have no present intention of exercising the authority to purchase the Company’s ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company’s share price and future funding opportunities. The directors would only exercise the authority sought by Resolution 20 in circumstances where they believed that to do so would result in an increase in earnings per share and be in the interests of shareholders generally. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

Resolution 21 – Notice period for general meetings
Resolution 21 is a special resolution to renew an authority granted at the 2013 annual general meeting of the Company to allow the Company to hold general meetings (other than annual general meetings) on not less than 14 clear days' notice.

The minimum notice period for general meetings of listed companies is 21 days, but companies may reduce this period to 14 days (other than for annual general meetings) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. Please refer to "Action to be taken" below and to notes 3 and 4 on pages 10 and 11 of this circular for details of the Company's arrangements for electronic proxy appointment. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days.
The board is therefore proposing Resolution 21 to approve 14 clear days as the minimum notice period for all general meetings of the Company other than annual general meetings. The approval will be effective until the annual general meeting of the Company in 2015, when it is intended that the approval be renewed. The board confirms that it will give as much notice as practicable when calling a general meeting and that it does not intend to use this authority as routine. The board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, and would only use the shorter notice period if it were thought to be to the advantage of shareholders as a whole.

**Action to be taken**

Whether or not you are able to attend the Annual General Meeting, you are requested either to complete and return a Form of Proxy or to register the appointment of a proxy electronically by logging onto the website of our registrars, Equiniti, at www.sharevote.co.uk. Completed Forms of Proxy must be returned to Equiniti as soon as possible and, in any event, so as to arrive not later than 11.00 am on Monday 21st July 2014. Electronic proxy appointments must also be received by Equiniti not later than 11.00 am on Monday 21st July 2014. Proxy voting in respect of uncertificated shares may also be registered through CREST – see note 4 on pages 10 and 11 of this circular. The completion and return of a Form of Proxy or the giving of an electronic proxy instruction will not preclude you from attending and voting in person at the Annual General Meeting if you so wish.

**Poll voting**

As in previous years and in line with best practice, voting on all resolutions at the Annual General Meeting will be conducted on a poll, rather than on a show of hands. This better reflects the voting rights of members by ensuring that all votes, whether cast in person at the meeting or through proxies by those unable to attend the meeting, are included in the result.

**Recommendation**

The board considers that all of the proposed resolutions set out in the Notice of Annual General Meeting following this letter are likely to promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The directors unanimously recommend that you vote in favour of them, as the directors intend to do in respect of their own beneficial holdings of shares in the Company which amount in aggregate to 156,770 ordinary shares representing approximately 0.08% of the issued ordinary share capital of the Company (excluding treasury shares) as at 16th June 2014.

Yours faithfully

Mr TEP Stevenson
Chairman

(a) the allotment of equity securities in connection with an offer of securities (but in the case of the authority granted under paragraph (b) of Resolution 18 by way of a rights issue only) in favour of the holders of ordinary shares on the register of members at such record date(s) as the directors may determine where the equity securities respectively attributable to the interests of the ordinary shareholders are proportionate (as nearly as may be practicable) to the respective numbers of ordinary shares held or deemed to be held by them on any such record date(s), subject to such exclusions or other arrangements as the directors may deem necessary or expedient to deal with treasury shares, fractional entitlements or legal or practical problems arising under the laws of any overseas territory or the requirements of any regulatory body or stock exchange or by virtue of shares being represented by depositary receipts or any other matter; and

(b) the allotment to any person or persons of equity securities, otherwise than pursuant to paragraph (a) above, up to an aggregate nominal amount of £11,033,680

and this power shall expire upon the expiry of the general authority conferred by Resolution 18, save that the Company shall be entitled to make offers or agreements before the expiry of such authority which would or might require equity securities to be allotted after such expiry and the directors shall be entitled to allot equity securities pursuant to any such offer or agreement as if this authority had not expired.

Notes

1. Voting at the meeting
Voting on all resolutions set out in the Notice of Annual General Meeting will be conducted on a poll rather than on a show of hands. Poll voting will be carried out by electronic means and the voting procedure will be explained at the meeting.

2. Appointment of proxies
A member entitled to attend and vote at the meeting convened by the Notice of Annual General Meeting is entitled to appoint a proxy to exercise all or any of his or her rights to attend and to speak and vote on his or her behalf at the meeting. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company.

To be effective, a Form of Proxy must be lodged at the offices of the Company’s registrars, Equiniti, in accordance with the instruction provided thereon, so as to be received not later than 11.00 am on Monday 21st July 2014. Completion of a Form of Proxy does not preclude a member from subsequently attending and voting at the meeting in person if he or she so wishes.

A Form of Proxy which may be used to make this appointment and give proxy instructions accompanies the Notice of Annual General Meeting. Details of how to appoint a proxy are set out in the notes to the Form of Proxy. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact Equiniti by post (Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA) or by telephone (0871 384 2344 if you are calling from the UK (calls to this number cost 8 pence per minute plus network extras, lines are open 8.30 am to 5.30 pm Monday to Friday excluding bank holidays) or +44 121 415 7047 if you are calling from outside the UK). As an alternative to completing a hard copy Form of Proxy, proxies may be appointed electronically in accordance with notes 3 and 4 below.

3. Electronic proxy appointment via Equiniti’s website
Members who prefer to register the appointment of their proxy electronically via the internet can do so through Equiniti’s website at www.sharevote.co.uk. Full details of the procedure are given on the website. The Voting ID, Task ID and Shareholder Reference Number printed on the Form of Proxy will be required in order to use this electronic proxy appointment system. Alternatively, members who have already registered with Equiniti’s online portfolio service, Shareview, can appoint their proxy electronically by logging onto their portfolio at www.shareview.co.uk and clicking on the ‘Vote Online’ link. The on-screen instructions give details of how to complete the proxy appointment process. A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 11.00 am on Monday 21st July 2014.

Members who return a Form of Proxy or register the appointment of a proxy electronically will still be able to attend the meeting and vote in person if they so wish.

4. Electronic proxy appointment through CREST
CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by following the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland’s (“EUI”) specifications and must contain the information required for such appointment or instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) not later than 11.00 am on Monday 21st July 2014. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers, are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

5. Changing proxy instructions
To change your proxy instructions you may return a new proxy appointment using the methods set out above. Where you have appointed a proxy using the Form of Proxy and would like to change the instructions using another Form of Proxy, please contact Equiniti by post (Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA) or by telephone (0871 384 2344 if you are calling from the UK (calls to this number cost 8 pence per minute plus network extras, lines are open 8.30 am to 5.30 pm Monday to Friday excluding bank holidays) or + 44 121 415 7047 if you are calling from outside the UK). The deadline for receipt of proxy appointments (see note 2 above) also applies in relation to amended instructions. Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same meeting, those received last by Equiniti will take precedence.

6. Virus protection
Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that shareholders subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.

7. Nominated persons
A copy of the Notice of Annual General Meeting has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (“Nominated Persons”). The statement of rights of members in relation to the appointment of proxies in note 2 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by members of the Company. Nominated Persons may have a right under an agreement with the registered member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

8. Entitlement to attend and vote
In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those shareholders entered on the Company’s register of members at 6.00 pm on Monday 21st July 2014 or, if the meeting is adjourned, shareholders entered on the Company’s register of members at 6.00 pm on the date two days prior to the adjourned meeting, shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after 6.00 pm on Monday 21st July 2014 (or after 6.00 pm on the date two days prior to any adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.

9. Total voting rights
As at 16th June 2014, the latest practicable date prior to publication of this Notice of Annual General Meeting, the Company’s issued share capital (excluding treasury shares) consisted of 204,917,749 ordinary shares, carrying one vote each. The Company holds 5,725,246 ordinary shares in treasury and is not permitted to exercise voting rights in respect of those shares. Therefore, the total number of voting rights of the Company as at 16th June 2014 was 204,917,749.

10. Corporate representatives
A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Annual General Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.
11. Right to ask questions
Under section 319A of the Companies Act 2006, the Company must cause to be answered at the meeting any question relating to the business being dealt with at the meeting which is put by a member attending the meeting unless one of the following applies:

- answering the question would interfere unduly with the preparation of the meeting or involve the disclosure of confidential information;
- the answer has already been given on a website in the form of an answer to a question; or
- it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

14. Website publication of audit concerns
Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish a statement on its website setting out any matter that the members propose to raise at the meeting relating to (a) the audit of the Company's accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the meeting or (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last annual general meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company’s auditor no later than the time it makes its statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required to publish on its website.
