

# CORPORATE SOCIAL RESPONSIBILITY(CSR)

CSR Overview

Johnson Matthey India Private Limited(JMIPL)

FY 24-25

# CSR Policy Glimpse

## Policy Statement

“**Inspiring Science, Enhancing Life**” has been the principal purpose of Johnson Matthey’s philosophy of doing business. This philosophy is effortlessly integrated into the business operations, stakeholder’s relations and extends to the CSR objectives and focus areas as well.

## Vision

Our aim is to consolidate and strengthen socially and environmentally responsible business practices that balance financial goals with social contribution for marginalized population.

## Mission

- To facilitate, educate and motivate young individuals to pursue STEM.
- To save our planet by contributing towards environmental sustainability by adopting best environment safety practices.
- Climate Action to Support Communities Affected by Natural Disasters.
- Extend positive opportunities to socio-economically disadvantaged communities.
