4. FREE ISSUE MATERIALS:

You shall hold all materials and equipment (including tools, dies, jigs, moulds, and the like), drawings and data supplied by us to you in safe custody at your own risk, maintain such materials until returned to us and not dispose of such materials other than in accordance with our written instructions or authorisation, nor shall such items be used otherwise than as authorised by us in writing. You shall, on request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of this insurance.

5. DELIVERY:

- 5.1 Unless otherwise agreed by us, the Goods shall be delivered, carriage, insurance and duty paid on the date and to the address specified in the Commercial Conditions (during normal business hours) and if no such date is specified, then delivery will be required within a reasonable period having regard to the nature of the Goods being provided and the circumstances in which they are being supplied. Time for delivery of the Goods and/or performance of the Services will be considered so important that if the requirement is not met, you will be held to have breached the Contract and a rescission by us will be justified. You shall immediately inform us if you have any reason to believe that you may or will be delayed in any way from completing your obligations under the Contract.
- 5.2 All Goods shall be accompanied by delivery documentation and labels (i) giving full details of the Goods, special storage instructions (if any) and quoting our order number, and where relevant (ii) material safety data (including any necessary translations thereof), a certificate of analysis and certification of compliance with the Specification, and (iii) all export and import clearance documentation.
- 5.3 Goods must be properly packed and secured in such manner as to enable them to reach us in good condition and ensure conformity with laws and regulations relating to the manufacture, labelling (including, where applicable, proper use of a Mark of Certification according to the applicable Mexican Official Standard "*Norma Oficial Mexicana or NOM*"), packaging, storage, handling and delivery of Goods applicable at the destination and date of delivery. You shall ensure that the performance of your obligations under the Contract shall at all times be conducted in accordance with our commitment to conducting business in an ethical and sustainable way.
- 5.4 You shall ensure that the Goods (and any components contained therein) have effectively been pre-registered, registered (or exempt from the obligation to register) and (if relevant) evaluated and/or authorised in accordance with the applicable requirements of (i) Federal Law on the Control of Chemical Precursors, Essential Chemical Products and Machines for the Production of Tablets, Capsules and/or Pills, (ii) Federal Law on the Control of Chemicals Liable to be Diverted for the Production of Chemical Weapons or (iii) any statutory requirement implemented Mexico in the future, in respect of the registration, evaluation, authorization and registration of chemical for the uses disclosed by us. On an annual basis or as otherwise requested by us you shall provide confirmation and documentary evidence of your compliance with this condition 5.4.
- 5.5 Delivery shall be completed when at the date for delivery and at the delivery location conforming Goods are off-loaded, or Services performed, by you. We reserve the right to reject any Goods which are discovered to be damaged when inspected following delivery. The issue of a receipt note by us for any Goods and/or Services shall not constitute any acknowledgement of the condition, nature, quality, quantity, substance or effectiveness of those Goods and/or Services.

6. SEPARATE DELIVERIES:

We shall not be obliged to accept delivery by instalments. Where it is agreed that the Goods and/or Services are delivered by separate deliveries, they may be invoiced and paid for separately. However, failure by you to deliver any one instalment on time or at all or any defect in an instalment shall entitle us to terminate the whole or any unfulfilled part of the Contract pursuant to which they were to be delivered without further liability to you.

7. ACCEPTANCE, REJECTION AND INSPECTION:

- 7.1 At any time during design, engineering or manufacture of the Goods, we or our representatives shall, upon reasonable notice to you, have the right to inspect and/or test the Goods. We may also require acceptance tests to be carried out in relation to the Goods and/or Services, at our option, either by us or by you at your site, or following installation and/or commissioning of Goods at our site (where applicable) or completion of the Services, and the results of the tests shall be made available to us.
- 7.2 If during or following any such inspection and/or testing, you notify us of deficiencies or work that does not comply with the Contract, you shall promptly correct such deficiencies at no cost to us and notify us when such deficiencies are remedied and submit a request for further inspections and/or tests.
- 7.3 We shall be entitled to reject any Goods and/or Services or require you to collect the Goods which, acting reasonably, are deemed by us as failing to meet any such inspection or testing. Any acceptance of defective, late or incomplete Goods and/or Services shall not constitute a waiver of any of our rights and remedies, including our right to reject.

8. PRICE AND PAYMENT:

- 8.1 The price for the Goods and/or Services shall be set out in the Commercial Conditions and unless otherwise agreed in writing, shall include all duties, levies, freight, carriage, insurance and packaging charges but shall exclude VAT or any other similar tax payable in our jurisdiction. Where any taxable supply for VAT purposes is made under the Contract by you, we shall, on receipt of a valid VAT invoice from you, pay to you such additional amounts in respect of VAT as are chargeable on the supply of the Goods and/or performance of Services at the same time as payment is due for the supply of the Goods and/or Services.
- 8.2 The price for the Goods and/ or Services shall be the entire payment liability to you in respect of the supply of the Goods and/ or performance of the Services and shall include every cost and expense (including any expenses incurred by third parties on your behalf) directly or indirectly incurred in connection with the supply of the Goods and/ or the performance of the Services. No extra charges shall be effective unless agreed in writing and signed by us.
- 8.3 Unless otherwise agreed, you shall invoice us for (i) Goods no sooner than completion of delivery of the Goods or, if later, our acceptance of the Goods; and (ii) Services no sooner than completion of performance of the Services or, if later, our acceptance of the Services. Each invoice shall include such supporting information required by us to verify the accuracy of the invoice, including the relevant purchase order number.
- 8.4 We shall pay each validly submitted invoice within 60 days from the end of the month following receipt of invoice. The tax invoices shall be issued in accordance with the requirements of the tax laws applicable, including those related to payments received by the Goods and/ or Services provided, if applicable.
- 8.5 The correct purchase order number must be quoted on all invoices, and we will accept no liability whatsoever for invoices, delivery notes or other communications which do not bear such purchase order numbers.
- 8.6 If there is a good faith dispute about whether any amount is payable to you under the Contract, we may withhold the amount in dispute until the dispute is resolved, provided that: (i) we must pay any undisputed amounts in accordance with condition 8.4; and (ii) the other obligations of the parties under the Contract will in no way be affected by any dispute under this condition 8.6.
- 8.7 If we fail to make any payment when due under the Contract, you may charge interest on the overdue amount at the rate of two per cent (2%) per annum above the Bank of England base rate from time to time. This condition 8.7 shall not apply to payments that are disputed in good faith.
- 8.8 We may at any time, without prejudice to any other rights or remedies available to us under the Contract or otherwise, set off any of your liability to us, whether such liability is present or future, liquidated or unliquidated, under the Contract or otherwise and irrespective of the currency of its denomination against any of our liability to you. If the liabilities to be set off are expressed in different currencies, we may convert either liability at a market rate of exchange for the purposes of such set off.
- 8.9 Payments by us for the Goods and/or Services shall not constitute a waiver of any of our rights, nor shall such payment terminate any of your obligations.

9. TITLE AND RISK:

Unless otherwise agreed, title in the Goods shall pass to us on payment or delivery, whichever occurs earlier. You shall ensure that title to the Goods transfers with full title guarantee and free from all security interests. Neither payment by, nor passing of title or risk in the Goods or Services to, us shall be deemed to constitute acceptance of the Goods and Services nor shall it prejudice any of our rights and remedies. Risk in the Goods shall pass to us on completion of delivery in accordance with condition 5.5.

10. VARIATIONS:

10.1 Subject to condition 10.2, we may, without invalidating the Contract, issue instructions requiring additions, reductions, deletions, substitutions or any other alterations to delivery including to any aspect of the Goods and/or to the Services, and/or to the Specification, and/or changes in the sequence of, and/or scheduled date(s) for, delivery.

10.2 The parties shall endeavour to agree the time and cost impact prior to you carrying out any instruction issued pursuant to condition 10.1, failing which, any instructions issued shall be valued by us on a fair and reasonable basis. You shall not be entitled to any additional cost and/or an extension of time where such instruction was issued as a result of your failure to comply with the terms of the Contract. Any instruction shall only be binding on the parties once agreed in accordance with condition 2.3.

11. SUBCONTRACTORS:

You may subcontract your performance under the Contract to any suitably qualified persons (a “**subcontractor**”), provided that you obtain our prior written consent. In all cases, you shall be responsible and liable for the acts and omissions of any subcontractor, including subcontractor’s personnel to the same extent as if such acts or omissions were by you or your personnel, and you shall be responsible for all fees and expenses payable to any subcontractor.

12. CONFIDENTIALITY:

12.1 Each of the parties to this Contract shall keep in strict confidence and not disclose to any third party, or use or exploit for a purpose other than the performance of its obligations under the Contract, all technical, financial or commercial know-how or information, data, Specifications, inventions, processes or initiatives which are of a confidential nature relating to the other party (“**discloser**”) or its Affiliates disclosed, directly or indirectly, to it (“**receiver**”) by the discloser or its Affiliates, employees, officers, advisers, agents or subcontractors (“**representatives**”) and any other confidential information concerning the discloser’s business or its products which the receiver may obtain (“**Confidential Information**”).

The receiver shall ensure that such representatives are subject to like obligations of confidentiality as bind the receiver under this condition 12.2. Each of the parties to this Contract is responsible for any unauthorised use or disclosure of the other party’s Confidential Information by its representatives.

12.3 The receiver may disclose any Confidential Information to any regulator, law enforcement agency or other third party if it is required to do so by law, regulation, or similar authority. In those circumstances the receiver shall (to the extent practical and lawful to do so) notify the discloser in writing as soon as practicable before the disclosure and use all reasonable endeavours to consult with the discloser with a view to agreeing the timing, manner and extent of the disclosure.

12.4 Any such Confidential Information shall remain discloser’s property and shall be deemed to have been imparted in trust to the receiver and shall be returned to discloser or destroyed (as discloser shall direct and with destruction certified) immediately upon request. You shall not without our prior written consent disclose, copy, publicise or publish, the existence of the Contract or any information related to the Contract including the name of Johnson Matthey, the Goods, Services, or the place of delivery or performance.

12.5 Each party acknowledges that damages alone would not be an adequate remedy in the event of breach by the other party of the provisions of this condition 12. Accordingly, it is agreed that either party shall be entitled, without proof of special damages, to seek a court order or other interim remedy for any threatened or actual breach of this condition 12 by the other party, without prejudice to any other rights and remedies which that first party may have.

12.6 This condition 12 shall survive the expiry or termination of the Contract.

13. INTELLECTUAL PROPERTY RIGHTS:

13.1 Any Specification, drawings or data supplied by us to you, or produced by you based on such Specification, drawings or data supplied by us, in connection with the manufacture of the Goods and/or performance of the Services on our instruction, together with all intellectual property rights therein shall be our exclusive property and shall not be used by you for any purpose, commercial or otherwise, except as required for the performance of your obligations under the Contract and as expressly stated by us. You undertake to execute any formal assignment requested by us and to assist us in formally registering any such intellectual property rights.

13.2 To the extent that the Contract provides for Goods to be manufactured or Services to be performed to your or your subcontractor's designs and specifications, you shall be responsible for providing all drawings, specifications, calculations and other information necessary for the execution of such work. You shall be responsible for any errors or omissions in drawings, specifications, calculations or other information provided by you whether the same have been approved by us or not and you shall rectify all errors and omissions. You shall be responsible for the cost of any such rectification as shall be necessitated unless the errors and omissions are due to inaccurate information provided in writing by us, save insofar as any inaccuracy which should have been reasonably apparent to an experienced supplier or should have been detected by you and you fail to bring it promptly to our attention.

14. SUPPLIERS DEFAULT:

14.2 If you fail to complete an Order in accordance with the Contract or the Goods and/or Services prove to be defective within 12 months of delivery, then, we may, at our discretion: (i) reject the Goods (in whole or in part) and return them to you at your own risk and expense; (ii) require you as soon as reasonably practicable to either repair or replace the Goods at the site of delivery or at your premises, whichever we shall so determine, or to refund to us any amounts paid in respect of any Goods which do not correspond with the Contract (and repaired or replacement Goods shall themselves be subject to the obligations in the Contract); (iii) in the case of incorrect delivery, require you to promptly reimburse us in respect of any cost (including freight, clearance, duty and storage charges) incurred by us; (iv) reject the Goods or suspend performance of the Services and obtain substitute Goods and/or Services from another supplier and recover from you any costs and expenses reasonably incurred by us in obtaining such substitute Goods and/or Services; (v) require you to repeat performance of the Services at your expense; and/or (v) claim damages for any costs, losses or expenses incurred by us which are in any way attributable to your failure to carry out your obligations under the Contract.

15. FORCE MAJEURE:

Neither party shall be liable to the other for any default, delay or failure in performing its obligations under the Contract to the extent that such delay or failure is caused by an event or circumstance that is beyond the control of that party, and which by its nature could not have been foreseen by such party or, if it could have been foreseen, was unavoidable ("**Force Majeure**"), provided that you shall use all reasonable endeavours to minimise the effects of Force Majeure and to resume performance of the Contract. If any events or circumstances prevent you from carrying out any of your obligations under the Contract for a continuous period of more than five days, we may terminate the Contract (in whole or in part) immediately by giving written notice to you. Shortage of labour, materials or utilities, breakdown of machinery or delays by subcontractors, shall not by themselves constitute Force Majeure unless they are caused by circumstances which are circumstances within the above meaning of Force Majeure.

16. INSURANCE:

16.1 In addition to the requirements under condition 4.1, you shall at your own cost maintain during the term of the Contract and for a period of two years thereafter such insurance (with a reputable insurance company) as is appropriate to provide for the obligations and liabilities under the Contract arising from the delivery of the Goods and/or performance of the Services. Where risks or actual adverse impacts are identified, you will put necessary prevention, mitigation, or remedial plans in place. Upon request you shall complete a third-party questionnaire in relation to sustainability targets and your compliance with the JM Supplier Code of Conduct. Lack of cooperation, failure to address violations and/or non-timely implementation of necessary corrective action plans may result in a reduction in business and, ultimately, an end to the business relationship with us.
