The form will require you to provide your contact details as well as answering the following: "If you were to win, tell us briefly about the project you'd use the free CatLab services for". Multiple entries per company are accepted, however there may only be one entry per person accepted. No purchase is necessary to enter. Incomplete, corrupted or illegible entries will be disqualified.
4. There are 21 Prizes. 1 Grand Prize and 20 second place prizes. The Grand Prize Winner will be the Company whose project the panel of judges at their sole discretion consider to be the best or most inspiring. The winner will be selected at the judge's sole discretion and no correspondence will be entered into. Once the Grand Prize Winner has been selected, the remaining correctly completed entries will be entered into a prize draw and 20 Second Prize Winners will be selected at random.

6. The Grand Prize is worth free CatLab services to the maximum value of £50,000. The second prize is a voucher for £1,000 to be used in part payment for CatLab Services with a minimum spend requirement of £10,000. Grand Prize and Second Prize are subject to CatLab's usual terms and conditions including industry exclusions and limitations on service. To use the prizes, you must submit an accepted RFP before 30 June 2026. To ensure that CatLab's services are suitable to meet the objective of your project, each request for proposal/project includes an initial screening and a feasibility assessment of the desired project prior to commencement. Where necessary an NDA can be put in place to protect the parties. If following that screening and/or feasibility assessment the Promoter considers it is unable to provide the requested services for any reason, it reserves the right to withdraw at any time prior to commencement. Subject to there being time remaining, the Winner may resubmit a new RFP if the Promoter is unable to deliver the first project or further RFPs to use the value of the Prize. Once the value of the Prize has been used, then the Promoter's commercial rates apply to all additional services used and you will be liable for all services. The cost will be set out clearly in the proposal that the Promoter provides. The Promoter reserves the right to provide alternative prizes of equal or greater value should circumstances outside our control make this necessary.
